**CONSENT SOLICITATION STATEMENT**

TO THE STOCKHOLDERS OF VOICE MOBILITY INTERNATIONAL, INC.:

The board of directors of **Voice Mobility International, Inc.** (“we”, “us”, and “our”) is soliciting your consent on behalf of our company to approve a resolution to amend our Articles of Incorporation (the “**Amendment**”) by filing a Certificate of Amendment with the Secretary of State of Nevada to increase the authorized number of common shares issuable by our company from 100,000,000 common shares to 200,000,000 common shares, as more particularly described in the Proxy Statement previously mailed to you and filed on EDGAR on October 12, 2010 (the “**Proxy Statement**”). The Proxy Statement is also available on our website at [www.voicemobility.com/wp-content/uploads/2010/11/VOICE-MOBILITY-AGM-2010-Definitive-Schedule-14A.pdf](http://www.voicemobility.com/wp-content/uploads/2010/11/VOICE-MOBILITY-AGM-2010-Definitive-Schedule-14A.pdf).

In connection with the filing of all our outstanding disclosure documents in Canada, we were required under Canadian securities law to hold an annual meeting on November 12, 2010. At that meeting, we also requested the approval of the Amendment. While over 99% of the stockholders who voted at the meeting voted in favour of the Amendment, under Nevada corporate law we require the approval of stockholders holding a majority of our issued and outstanding common shares to vote in favour of the amendment. At the meeting, we received the votes of stockholders holding 26% of our issued and outstanding common shares. We are now soliciting your approval of this amendment by written consent in lieu of a meeting of stockholders because our board of directors believes that it is in the best interests of our company and our stockholders to solicit such approval in the most cost effective manner. A form of written consent is enclosed for your use.

Your attention is directed to the Proxy Statement which provides the details of the Amendment.

This consent solicitation statement and accompanying form of written consent is being sent to our stockholders on or about October 5, 2010 (the “**Record Date**”). Only the stockholders of record on the Record Date are entitled to give the written consents for the Amendment.

The written consents of stockholders representing a majority of the voting power of our outstanding common stock as of the Record Date are required to approve the Amendment.

**Our board of directors unanimously recommends that you consent to the Amendment. The Amendment will be approved by our stockholders when we have received written consents to the Amendment from our stockholders representing a majority of the voting power of our outstanding common stock. If you approve the Amendment, please mark the enclosed written consent form to vote “For” the Amendment, and complete, date, sign and return your written consent as follows.**

If you are a stockholder of record and wish to send your written consent, you must complete the attached written consent and mail it to the following address:

**Computershare – Proxy Department**  
9th Floor, 100 University Avenue  
Toronto, Ontario, M5J 2Y1

If you hold your shares in “street name” and wish to send your written consents, you must follow the instructions given by your broker, bank, or other nominee or contact your broker, bank, or other nominee for the information on how to send your written consents.

## **Question and Answers about This Consent Solicitation**

### **Why am I receiving these materials?**

We are asking our stockholders to approve the following proposal by written consents:

1. Approval of the amendment of our articles of incorporation to increase the number of authorized shares of our common stock from 100,000,000 to 200,000,000 (the “**Amendment**”).

The full text of the Certificate of Amendment is attached to the Proxy Statement as Schedule A.

In connection with our filing of all outstanding disclosure documents in Canada, we were required by Section 3.1(5) of National Policy 12-202 – *Revocation of a Compliance-related Cease Trade Order* and an undertaking we gave to the Ontario Securities Commission to hold an annual meeting within three months of the date our Canadian cease-trade orders were revoked. The Ontario Securities Commission revoked its cease trade order on August 13, 2010 and hence we were required to hold an annual meeting by November 13, 2010. At our meeting on November 12, 2010, we requested the approval of the Amendment. While over 99% of the stockholders who voted at the meeting voted in favour of the Amendment, under Nevada corporate law we require the approval of stockholders holding a majority of our issued and outstanding shares. At the meeting, we received the votes of stockholders holding 26% of our issued and outstanding common shares.

We are now soliciting your approval of the Amendment by written consent in lieu of a meeting of stockholders because our board of directors believes that it is in the best interests of our company and our stockholders to solicit such approval in the most cost effective manner.

### **What is included in these materials?**

These materials include:

- this consent solicitation statement; and
- the written consent form.

### **Important Notice Regarding the Availability of Materials for This Consent Solicitation**

This consent solicitation statement, the written consent form, and the Proxy Statement are available at: <http://voicemobility.com/wp-content/uploads/2010/11/VOICE-MOBILITY-AGM-2010-Definitive-Schedule-14A.pdf>.

### **What do I need to do now?**

We urge you to carefully read and consider the information contained in this consent solicitation statement and the Proxy Statement. We request that you send your written consent to the Amendment.

### **Who can give the written consents?**

As of the Record Date, 67,271,845 shares of our common stock were issued and outstanding and, therefore, a total of 67,271,845 votes are entitled to be given by written consents.

**How do I send my written consent?**

If you are a stockholder of record and wish to send your written consent, you must complete the attached written consent and mail it to the following address:

**Computershare – Proxy Department**  
9th Floor, 100 University Avenue  
Toronto, Ontario, M5J 2Y1

If you hold your shares in “street name” and wish to send your written consents, you must follow the instructions given by your broker, bank, or other nominee or contact your broker, bank, or other nominee for the information on how to send your written consents.

**What is the difference between a stockholder of record and a “street name” holder?**

If your shares are registered directly in your name with our transfer agent, Computershare Investor Services Inc., then you are a stockholder of record with respect to those shares.

If your shares are held in a stock brokerage account or by a bank, or other nominee, then the broker, bank, or other nominee is the stockholder of record with respect to those shares. However, you still are the beneficial owner of those shares, and your shares are said to be held in “street name.” Street name holders generally cannot send their written consents directly and must instead instruct the broker, bank, or other nominee on how to send their written consents.

**What vote is required for the approval of a proposal?**

The Amendment will be approved by our stockholders if we receive the written consents of our stockholders representing a majority of the voting power of our outstanding common stock as of the Record Date, or written consents representing at least 33,635,922 shares of our common stock.

**How are votes counted?**

A written consent form that has been signed, dated and delivered to us with the “For” box checked will constitute consent for the proposal. A written consent form that has been signed, dated and delivered to us with the “Against” or “Abstain” boxes checked or without any of the boxes checked will be counted as a vote against the proposal. Abstentions and broker non-votes will have the same effect as a vote against the proposal.

A “broker non-vote” occurs when a broker, bank, or other nominee holding shares for a beneficial owner in street name does not vote on a particular proposal because it does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner of those shares.

**When is the approval of a proposal effective?**

The approval of our stockholders of each proposal is effective when we receive the written consents to the proposal from our stockholders representing a majority of the voting power of our outstanding common stock as of the Record Date.

**How does the board of directors recommend that I vote?**

Our board of directors recommends that you vote “For” the approval of the Amendment.

**Can I revoke my written consent after sending it?**

Yes. A written consent, once dated, signed and delivered to us, will remain effective unless and until revoked by a written notice of revocation dated, signed and delivered to us before the time that we have received written consents to the Amendment from our stockholders representing a majority of the voting power of our outstanding common stock as of the Record Date. Please send your notice of revocation via same facsimile number or by the same mailing address that you would send your written consent, as disclosed elsewhere in this consent solicitation statement.

**Do I have the rights of appraisal or similar rights of dissenters with respect to the Amendment?**

No. Neither Nevada law nor our articles of incorporation or bylaws provide our stockholders with the rights of appraisal or similar rights of dissenters with respect to the Amendment.

**Who pays for the expense of this consent solicitation?**

We will pay for the expense of soliciting the written consents and the cost of preparing, assembling and mailing material in connection therewith. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to the beneficial owners. We may reimburse persons representing beneficial owners of our common stock for their costs of forwarding solicitation materials to the beneficial owners. Original solicitation of written consents by mail may be supplemented by telephone, facsimile, other approved electronic media or personal solicitation by our director, officer, or regular employees. These individuals will receive no additional compensation for such services.

**PROXY STATEMENT**

**INFORMATION CONCERNING VOTING AND SOLICITATION**

***General***

The enclosed proxy is solicited on behalf of our Board of Directors (the “Board”) for use at the Annual and Special Meeting of stockholders (the “Meeting”) to be held on November 12, 2010 at 10:00 a.m. (Vancouver time) or at any continuation, postponement or adjournment thereof, for the purposes discussed in this proxy statement and in the accompanying Notice of Annual and Special Meeting and any business properly brought before the Meeting. Proxies are solicited to give all stockholders of record an opportunity to vote on matters properly presented at the Meeting. We intend to mail this proxy statement and accompanying proxy card on or about October 18, 2010 to all stockholders entitled to vote at the Meeting. The Meeting will be held at the offices of Clark Wilson LLP, located at Suite 800, 885 West Georgia Street, Vancouver, British Columbia, Canada, V6C 3H1.

***Who Can Vote***

You are entitled to vote if you were a holder of record of shares of our common stock (the “Common Stock”) as of the close of business on October 5, 2010 (the “Record Date”). Your shares can be voted at the Meeting only if you are present in person or represented by a valid proxy.

***Shares Outstanding and Quorum***

Holders of record of Common Stock at the close of business on October 5, 2010, the Record Date, will be entitled to receive notice of and vote at the Meeting. At the Meeting, each of the shares of Common Stock represented at the Meeting will be entitled to one (1) vote on each matter properly brought before the Meeting. On the Record Date, there were 67,271,845 shares of Common Stock issued and outstanding.

In order to carry on the business of the Meeting, we must have a quorum. Under our bylaws, stockholders representing at least 10% of our issued and outstanding shares of Common Stock entitled to vote present in person or by proxy and entitled to vote constitute a quorum.

***Proxy Card and Revocation of Proxy***

In voting, please specify your choices by marking the appropriate spaces on the enclosed proxy card, signing and dating the proxy card and returning it in the accompanying envelope. If no directions are given and the signed proxy is returned, the proxy holders will vote the shares in favor of the nominees for directors and each of the proposals set out in this proxy statement and at their discretion on any other matters that may properly come before the Meeting. The Board knows of no other business that will be presented for consideration at the Meeting. In addition, since no stockholder proposals or nominations were received by us on a timely basis, no such matters may be brought at the Meeting.

Any stockholder giving a proxy has the power to revoke the proxy at any time before the proxy is voted. In addition to revocation in any other manner permitted by law, a proxy may be revoked by an instrument in writing executed by the stockholder or by his attorney authorized in writing, or, if the stockholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized, and deposited at the offices of our transfer agent, Computershare Trust Company, Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, Canada, M5J 2Y1, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof. Attendance at the Meeting will not in and of itself constitute revocation of a proxy.

The persons named as proxyholders in the proxy card were designated by the Board. A stockholder has the right to appoint a person or corporation (who need not be a stockholder) to attend and act for and on behalf of that stockholder at the Meeting, other than the designated persons in the enclosed proxy card. To exercise this right, the stockholder may do so by striking out the printed names and inserting the name of such other person and, if desired, an alternate to such person in the blank space provided in the proxy card.

The shares represented by a stockholder's proxy card will be voted or withheld from voting in accordance with the instructions of the stockholder on any ballot that may be called for and that, if the stockholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

### ***Voting of Shares***

Stockholders of record on October 5, 2010 are entitled to one vote for each share of Common Stock on all matters to be voted upon at the Meeting. You may vote in person or by completing and mailing the enclosed proxy card. All shares entitled to vote and represented by properly executed proxies received before the polls are closed at the Meeting, and not revoked or superseded, will be voted at the Meeting in accordance with the instructions indicated on those proxies. **YOUR VOTE IS IMPORTANT.**

### ***Counting of Votes***

All votes will be tabulated by the inspector of election appointed for the Meeting, who will separately tabulate affirmative and negative votes and abstentions. Shares represented by proxies that reflect abstentions as to a particular proposal will be counted as present and entitled to vote for purposes of determining a quorum. Shares represented by proxies that reflect a broker "non-vote" will be counted as present and entitled to vote for purposes of determining a quorum. A broker "non-vote" will be treated as unvoted for purposes of determining approval of a proposal and will not be counted as "for" or "against" that proposal. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary authority or does not have instructions from the beneficial owner.

### ***Solicitation of Proxies***

We will bear the entire cost of solicitation of proxies, including preparation, assembly and mailing of this proxy statement, the proxy and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, depositories, fiduciaries and custodians holding shares of the Common Stock in their names that are beneficially owned by others to forward to these beneficial owners. We may reimburse persons representing beneficial owners for their costs of forwarding the solicitation material to the beneficial owners of the Common Stock. Original solicitation of proxies by mail may be supplemented by telephone, facsimile, electronic mail or personal solicitation by our directors, officers or other regular employees. No additional compensation will be paid to directors, officers or other regular employees for such services.

### ***Dissenting Stockholder Rights***

Dissenting stockholders have no appraisal rights under Nevada law or under our Articles of Incorporation or bylaws in connection with the matters to be voted on at the Meeting.

### ***Advice To Beneficial Stockholders***

Only registered holders of shares of Common Stock or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders are "non-registered" shareholders because the shares of Common Stock they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares of Common Stock. More particularly, a person is not a registered shareholder in respect of the shares of Common Stock which is held on behalf of that person (the "Non-Registered Holder") but which is registered either: (a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the shares of Common Stock (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators or self-administered RRSP's,

RRIF's, RESPs and similar plans); or (b) in the name of a clearing agency (such as The CDS Clearing and Depository Services Inc. ("CDS")) of which the Intermediary is a participant. In accordance with the requirements as set out in National Instrument 54-101 of the Canadian Securities Administrators, we have distributed copies of the Notice of Meeting, this proxy statement and the form of proxy (collectively, the "Meeting Materials") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares of Common Stock beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with our transfer agent as provided above; or
- (b) more typically, be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a "proxy authorization form") which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of a one page pre-printed form, the proxy authorization will consist of a regular printed proxy form accompanied by a page of instructions, which contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit a Non-Registered Holder to direct the voting of the shares of Common Stock which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the management proxyholders named in the form and insert the Non-Registered Holder's name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.

There are two kinds of beneficial owners – those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners). Pursuant to National Instrument 54-101, issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs.

**These security holder materials are being sent to both registered and non-registered owners of shares of Common Stock. If you are a non-registered owner, and our company or our agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.**

#### **SUMMARY OF BUSINESS MATTERS TO BE VOTED ON**

At the Meeting, the stockholders will be asked to consider three proposals: (1) the election of the Board; (2) the appointment of independent accountants; and (3) approval to amend the Articles of Incorporation to increase the

number of common shares issuable by our company from 100,000,000 common shares to 200,000,000 common shares. A summary of these proposals is as follows:

**Proposal 1. Election of Directors.**

The entire Board is elected annually by the stockholders at the annual meeting of our company. The Board has selected three nominees based upon their ability and experience. The nominees consist of Jay Hutton, Aron Buchman and Sean O'Mahony. Jay Hutton, Aron Buchman, and Sean O'Mahony are currently serving as directors of our company.

The Board recommends that you vote **FOR** the election of the nominees as directors of our company.

**Proposal 2. Appointment of Independent Accountants.**

The Audit Committee has nominated Dale Matheson Carr-Hilton Labonte LLP, Chartered Accountants, to serve as our independent registered public accounting firm until the next annual meeting. Dale Matheson Carr-Hilton Labonte LLP provided audit and other services during the year ended December 31, 2009 and Ernst & Young LLP provided audit and other services during the year ended December 31, 2008. This included the following fees:

	<b>2009</b>	<b>2008</b>
Audit Fees	\$ 50,500	\$ 81,000
Audit Related Fees	-	-
Tax Fees	7,500	11,000
All Other Fees	-	1,000
<b>Total Fees</b>	<b>\$ 58,000</b>	<b>\$ 93,000</b>

The Audit Committee has reviewed with Dale Matheson Carr-Hilton Labonte LLP and Ernst & Young LLP whether the non-audit services provided by them are compatible with maintaining their independence. Representatives of Dale Matheson Carr-Hilton Labonte LLP are not expected to be present at the Meeting. However, we will provide contact information for Dale Matheson Carr-Hilton Labonte LLP to any stockholder who would like to contact the firm with questions.

The Board recommends that you vote **FOR** approval of Dale Matheson Carr-Hilton Labonte LLP as the independent registered public accounting firm for our company.

**Proposal 3. Approval to Amend the Articles of Incorporation.**

The Board is seeking shareholder approval to amend our Articles of Incorporation to increase the authorized number of common shares that may be issuable in series by our Board in their discretion from 100,000,000 common shares to 200,000,000 common shares as required by Section 78.207(3) of the Nevada Revised Statutes. If approved by our shareholders at the Meeting, our company intends to file a Certificate of Amendment to amend our Articles of Incorporation to increase the authorized common shares of our company.

The Board recommends that you vote **FOR** the approval of the increase in our authorized share capital.

**DIRECTORS AND EXECUTIVE OFFICERS**

The following table sets forth the names, positions and ages of our executive officers and directors. ## NOMINATION AND ELECTION OF DIRECTORS

### *Number of Directors*

Our current bylaws provide for a board of directors of between one and fifteen directors with the number of directors to be set from time to time by a resolution of the Board. Each director is elected by a plurality of votes at each annual meeting, continuing in office until the next annual meeting and until such director's successor is elected and has been qualified, or until such director's earlier death, resignation or removal. We currently operate with a Board of three directors. The Board meets periodically to review significant developments affecting our company and to act on matters requiring Board approval.

Our board of directors held no formal meetings during the year ended December 31, 2009. All proceedings of the board of directors were conducted by resolutions consented to in writing by all the directors and filed with the minutes of the proceedings of the directors. Such resolutions consented to in writing by the directors entitled to vote on that resolution at a meeting of the directors are, according to the Nevada Revised Statutes and our Bylaws, as valid and effective as if they had been passed at a meeting of the directors duly called and held.

We have not adopted a formal policy with respect to the members of our Board attending our Meeting. There were three members of the Board who attended last years Annual Meeting.

### ***Components of Compensation***

Executive compensation consists primarily of base salary and stock options.

*Base Salary.* We target executives' base salaries according to salary surveys. In determining each executive officer's base salary, the compensation committee takes into account competitive market data for similar positions at high-technology companies, individual responsibilities and performance, and internal equity within our company.

*Stock Options.* Our equity incentives have been in the form of stock options. Stock options are issued at an exercise price of fair market value on the date of grant. Options granted in fiscal 2008 vest ratably over thirty-six months. Fair-market-value stock options become valuable and exercisable only if the executive officer continues to work at our company and the stock price subsequently increases.

##### **PROPOSAL 2 RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS**

Dale Matheson Carr-Hilton Labonte LLP has audited our financial statements since July 27, 2009. Previously our financial statements were audited by Ernst & Young LLP. At the recommendation of the Audit Committee, the Board has selected Dale Matheson Carr-Hilton Labonte LLP as our independent registered public accounting firm for the year ending December 31, 2010, and has further directed that management submit the selection of independent auditors for ratification by the stockholders at the Meeting.

Stockholder ratification of the selection of Dale Matheson Carr-Hilton Labonte LLP as our independent registered public accounting firm is not required by the bylaws or otherwise. However, the Board is submitting the selection of Dale Matheson Carr-Hilton Labonte LLP to the stockholders for ratification as a matter of corporate practice. If the stockholders fail to ratify the selection, the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Board in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the board determines that such a change would be in the best interests of our company and its stockholders.

The Audit Committee reviews audit and non-audit services performed by Dale Matheson Carr-Hilton Labonte LLP as well as the fees charged by Dale Matheson Carr-Hilton Labonte LLP for such services. In its review of non-audit service fees, the Audit Committee considers, among other things, the possible effect of the performance of such services on the auditor's independence. Additional information concerning the Audit Committee and its activities with Dale Matheson Carr-Hilton Labonte LLP can be found under the sections of this proxy statement entitled "Audit Committee" on page 12 and "Audit Committee Report" on page 12.

Our Audit Committee has considered and determined that the services provided by Dale Matheson Carr-Hilton Labonte LLP are compatible with maintaining the independence of the principal accountant.

Representatives of Dale Matheson Carr-Hilton Labonte LLP are not expected to be present at the Meeting. However, we will provide contact information for Dale Matheson Carr-Hilton Labonte LLP to any stockholder who would like to contact the firm with questions.

#### ***Fees Paid to Dale Matheson Carr-Hilton Labonte LLP and Ernst & Young LLP***

Dale Matheson Carr-Hilton Labonte LLP provided audit and other services during the year ended 2009 and Ernst & Young LLP provided audit and other services during the year ended December 31, 2008. This included the following fees:

	<b>2009</b>	<b>2008</b>
Audit Fees	\$ 50,500	\$ 81,000
Audit Related Fees	-	-
Tax Fees	7,500	11,000
All Other Fees	-	1,000
Total Fees	<u>\$ 58,000</u>	<u>\$ 93,000</u>

*Audit Fees.* This category includes the fees for the audit of our consolidated financial statements and the quarterly reviews of interim financial statements. This category also includes advice on audit and accounting matters that arose during or as a result of the audit or the review of interim financial statements and services in connection with SEC filings.

*Audit Related Fees.* There were no audit related fees paid to our independent registered public accounting firms.

*Tax Fees.* This category includes the fees for professional services rendered for tax compliance, tax advice and tax planning.

*All Other Fees.* There were no other fees paid to our independent registered public accounting firms.

The Securities and Exchange Commission requires that, before Dale Matheson Carr-Hilton Labonte LLP is engaged by our company or its subsidiaries to render any auditing or permitted non-audit related service, the engagement be:

- A. approved by our audit committee; or
- B. entered into pursuant to pre-approval policies and procedures established by the audit committee, provided the policies and procedures are detailed as to the particular service, the audit committee is informed of each service, and such policies and procedures do not include delegation of the audit committee's responsibilities to management.

The Audit Committee requires advance approval of all audit, audit-related, tax, and other services performed by the independent registered public accounting firm. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent registered public accounting firm is engaged to perform it. The Audit Committee has delegated to the chair of the Audit Committee authority to approve permitted services provided that the chair reports any decisions to the committee at its next scheduled meeting.

The Audit Committee has considered the nature and amount of the fees billed by Dale Matheson Carr-Hilton Labonte LLP, and believes that the provision of the services for activities unrelated to the audit is compatible with maintaining Dale Matheson Carr-Hilton Labonte LLP's independence.

### **Changes in Auditor**

On July 27, 2009, we dismissed Ernst & Young LLP as our principal independent accountant, and on July 27, 2009, we engaged Dale Matheson Carr-Hilton LaBonte LLP as our principal independent accountant. The decision to dismiss Ernst & Young and to appoint Dale Matheson Carr-Hilton LaBonte was recommended by the audit committee of our board of directors.

Ernst & Young's report on our financial statements for either of the two most recent fiscal years ended December 31, 2008 and 2007 did not contain an adverse opinion or disclaimer of opinion, or qualification or modification as to

uncertainty, audit scope, or accounting principles, except that such report on our financial statements contained an explanatory paragraph in respect to the substantial doubt about our ability to continue as a going concern.

During our two most recent fiscal years ended December 31, 2008 and 2007 and in the subsequent interim period through the date of dismissal, there were no disagreements, resolved or not, with Ernst & Young LLP on any matter of accounting principles or practices, financial statement disclosure, or audit scope and procedures, which disagreement(s), if not resolved to the satisfaction of Ernst & Young, would have caused Ernst & Young to make reference to the subject matter of the disagreement(s) in connection with its report.

During our two most recent fiscal years ended December 31, 2008 and 2007 and in the subsequent interim period through the date of dismissal, there were no reportable events as described in Item 304(a)(1)(v) of Regulation S-K.

During our two most recent fiscal years ended December 31, 2008 and 2007 and in the subsequent interim period through the date of appointment, we have not consulted with Dale Matheson Carr-Hilton LaBonte regarding either the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, nor has Dale Matheson Carr-Hilton LaBonte provided to us a written report or oral advice that Dale Matheson Carr-Hilton LaBonte concluded was an important factor considered by us in reaching a decision as to the accounting, auditing or financial reporting issue. In addition, during such periods, we have not consulted with Dale Matheson Carr-Hilton LaBonte regarding any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) and the related instructions) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

***Vote Required and Board Recommendation***

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Meeting will be required to ratify the selection of Dale Matheson Carr-Hilton Labonte LLP.

**THE BOARD RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF SELECTION OF DALE MATHESON CARR-HILTON LABONTE LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF OUR COMPANY.**

**PROPOSAL 3  
APPROVAL OF AMENDMENT TO ARTICLES OF INCORPORATION**

The Board is seeking shareholder approval to amend our Articles of Incorporation to increase the authorized number of common shares that may be issuable in series by our Board in their discretion from 100,000,000 common shares to 200,000,000 common shares as required by Section 78.207(3) of the Nevada Revised Statutes. If approved by our shareholders at the Meeting, our company intends to file a Certificate of Amendment to amend our Articles of Incorporation to increase the authorized preferred shares of our company.

Our Board is seeking approval to amend our Articles of Incorporation to increase the authorized number of common shares because the holders (the "Holders") of our Series C non voting convertible preferred shares (the "Series C Shares") have stated a desire to convert their Series C Shares into common shares. The Holders have the right to convert each Series C Share into one of our common shares. We have 19,250,280 Series C Shares outstanding. As at September 24, 2010, we have 67,271,845 common shares issued and outstanding. Assuming all the Holders convert their Series C Shares into common shares, we will have only 13,477,875 authorized common shares left to issue. Further, as announced on our press release dated September 2, 2010, we recently completed a convertible debt financing, which allows the holders to convert their debt to 12,895,960 common shares, assuming all warrants are exercised. We believe an increase in our authorized common shares will give us the necessary flexibility to complete potential acquisitions, issued stock options to our directors, and complete future private placements. We are not requesting the increase in authorized number of common shares for a particular transaction.

On August 24, 2010, we issued a press release stating that we signed a letter of intent to acquire all of the assets of Tagline Communications Inc. ("Tagline"). As at October 6, 2010, we have not entered into a definitive agreement with Tagline. We anticipate that this acquisition will not result in the issuance of any of our common shares and we

will acquire Tagline through a combination of cash and non-convertible debt. We have no plans, commitments, arrangements, understandings, or agreements to issue any shares that will be made available pursuant to the proposed increase in authorized stock. We have no plans to conduct a financing or otherwise issue shares, except through the exercise of options, warrants, or convertible debentures, but may need to undertake financings in the future. Such financing might not be available on terms favorable to us, or at all. We may sell common stock at prices less than the public trading price of the common stock at the time, and we may grant additional contractual rights to purchase the common stock not available to other holders of common stock, such as warrants to purchase additional shares of common stock or anti-dilution protections.

### **Effects of Increase**

The additional authorized but unissued shares of common stock may generally be issued from time to time for such proper corporate purposes as may be determined by our Board without further action or authorization by our stockholders, except for some limited circumstances where stockholder approval is required by law or the listing standards of any stock exchange on which our common stock may be listed at such time.

The possible future issuance of shares of equity securities consisting of common stock or securities convertible into common stock could affect our current stockholders in a number of ways. In general, the issuance of new shares of common stock will cause immediate dilution of the ownership interests of and the voting power of our existing stockholders, may affect the amount of dividends, if any, paid to such stockholders and may reduce the share of the proceeds of our company that they would receive upon the future liquidation, if any, of our company.

In addition, the future issuance of shares of equity securities could:

- (a) dilute the market price of our common stock, to the extent that the shares of common stock are issued and sold at prices below current trading prices of the common stock, or if the issuance consists of equity securities convertible into common stock, to the extent that the securities provide for the conversion into common stock at prices that could be below current trading prices of the common stock;
- (b) dilute the earnings per share, if any, and book value per share of the outstanding shares of common stock; and
  - 1. make the payment of dividends on common stock, if any, potentially more expensive.

The flexibility given to our Board to issue additional shares of common stock could also enhance our ability to negotiate on behalf of our stockholders in a takeover situation and have an anti-takeover effect. The authorized but unissued shares of common stock could be used by our Board to discourage, delay or make more difficult a change in the control of our company. For example, such shares could be privately placed with purchasers who might align themselves with our Board in opposing a hostile takeover bid. The issuance of additional shares could serve to dilute the stock ownership of persons seeking to obtain control and thereby increase the cost of acquiring a given percentage of the outstanding stock. Stockholders should therefore be aware that approval of this proposal could facilitate future efforts by our Board to deter or prevent changes in control of our company, including transactions in which the stockholders might otherwise receive a premium for their shares over then current market prices. The increase in our authorized capital stock, however, is not being proposed in response to any effort of which we are aware to accumulate shares of our common stock or to obtain control of our company.

A copy of the Certificate of Amendment is attached as Exhibit A to this Proxy Statement.

**Our Board believes the increase in authorized share capital is in our best interests and recommends that the stockholders approve the increase in authorized capital. The increase in authorized capital will be approved if the affirmative vote of at least a majority of the common stock present or represented at the Meeting and entitled to vote thereat are voted in favour of approving the increase in authorized capital. Accordingly, at the meeting, the stockholders will be asked to pass the following resolution:**

RESOLVED THAT:

1. The increase in the authorized capital of the Voice Mobility International, Inc. (the “**Company**”) from 100,000,000 shares of common stock to 200,000,000 shares of common stock (the “**Amendment**”) be and is hereby approved.
2. The preparation and filing of a Certificate of Amendment to the articles of incorporation of the Company be and is hereby approved.
3. Any one director or officer of the Company be and is hereby authorized to do all things as may be necessary or advisable to effect the foregoing resolutions on behalf of the Company and to take such steps as may be necessary or advisable to give effect to the Amendment, including preparing and filing the Certificate of Amendment with the Nevada Secretary of State.
4. Notwithstanding the foregoing, the Board of Directors of the Company shall have sole and complete discretion to determine whether or not to carry out the increase in authorized capital and, notwithstanding shareholder approval of the proposed increase in authorized capital, there shall be no obligation to proceed with such increase in authorized capital.

**THE BOARD RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE AMENDMENT TO THE ARTICLES OF INCORPORATION.**

**“HOUSEHOLDING” OF PROXY MATERIAL**

The Securities and Exchange Commission permits companies and intermediaries (e.g. brokers) to satisfy the delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, commonly referred to as “householding”, potentially means extra conveniences for shareholders and cost savings for companies.

A number of brokers with accountholders who are shareholders of our Company may be “householding” our proxy materials. As indicated in the notice previously provided by these brokers to shareholders, a single proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from an affected shareholder. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” may continue until you are notified otherwise or until you revoke

your consent. If at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement, please notify your broker.

Shareholders who currently receive multiple copies of the proxy statement at their address and would like to request “householding” of their communications should contact their broker.

#### **5. Ethical Business Conduct**

- (a) The Board has adopted a written code of business conduct and ethics (the "Code").
  - (i) The Code has been filed as an Exhibit to our Form 10-KSB filed on March 26, 2004 on EDGAR and can be found at [www.sec.gov](http://www.sec.gov).
  - (ii) The Code was adopted by the Board on February 11, 2004. Since that date, the Board has conducted an assessment of its performance, including the extent to which the Board and each director comply with the Code. It is intended that such assessment will be conducted annually. The Board will be assessing other mechanisms by which it can monitor compliance with the Code in an efficient manner.
  - (iii) We have not filed any material change reports pertaining to any conduct of a director or executive officer that constitutes a departure from the code.
- (b) Pursuant to the terms of reference for directors which has been adopted by the Board, directors are instructed to declare any conflicts of interest in matters to be acted on by the Board, to ensure that such conflicts are handled in an appropriate manner, and to disclose any contracts or arrangements with the Company in which the director has an interest. Any director expressing a conflict or interest in a matter to be considered by the Board is asked to leave the meeting for the duration of the discussion related to the matter at hand, and to abstain from voting with respect to such matter.
- (c) The Board encourages and promotes a culture of ethical business conduct through the adoption and monitoring of the Code, the insider trading policy and such other policies that may be adopted from time to time. The Board conducts regular reviews with management for compliance with such policies.

#### **6. Nomination of Directors**

- (a) The Board has appointed a Corporate Governance Committee, which is responsible for assisting the Board in identifying new director nominees. In identifying candidates for membership on the Board, the Corporate Governance Committee takes into account all factors it considers appropriate, which may include strength of character, mature judgment, career specialization, relevant technical skills, diversity and the extent to which the candidate would fill a present need on the Board. As part of the process, the Corporate Governance Committee is responsible for

conducting background searches, and is empowered to retain search firms to assist in the nominations process. Once candidates have gone through a screening process and met with a number of the existing directors, they are formally put forward as nominees for approval by the Board.

- (b) The Corporate Governance Committee is composed entirely of our board of directors. Jay Hutton is not an independent director.
- (c) The responsibilities, powers and operation of the Corporate Governance Committee are detailed in its charter, which is attached as Appendix I to this Exhibit A.

## **7. Compensation**

- (a) The Board has appointed a Corporate Governance Committee, which is responsible for, among other things, developing the Company's approach to executive compensation and periodically reviewing the compensation of the directors. The Corporate Governance Committee reviews and approves annual salaries, bonuses and other forms and items of compensation for our senior officers and employees. Except for plans that are, in accordance with their terms or as required by law, administered by the Board or another particularly designated group, the Corporate Governance Committee also administers and implements all of our stock option and other stock-based and equity-based benefit plans (including performance-based plans), recommends changes or additions to those plans, and reports to the Board on compensation matters.
- (b) The Compensation Committee is composed of the Chief Executive Officer and two independent directors.
- (c) The responsibilities, powers and operation of the Corporate Governance Committee are detailed in its charter, which is attached as Appendix II to this Exhibit C.
- (d) No compensation consultant or advisor has been retained since the beginning of the Company's most recently completed financial year to assist in determining compensation for any of the directors and officers.

## **8. Other Board Committees**

We also have a Corporate Governance Committee, the primary function of which is to assist the Board in developing the Company's approach to corporate governance issues and monitoring performance against the defined approach. The responsibilities, powers and operation of the Corporate Governance Committee are detailed in its charter, which is attached as Appendix I to this Exhibit B.

## **9. Assessments**

The Board intends that individual director assessments be conducted by other directors, taking into account each director's contributions at board meetings, service on committees, experience base, and their general ability to contribute to one or more of the Company's major needs. However, due to its stage of development and its need to deal with other urgent priorities, the Board has not yet implemented such a process of assessment.

## APPENDIX I TO EXHIBIT B

### Corporate Governance Committee Mandate and Principles

*Corporate governance: The process and structure used to direct and manage the business and affairs of the corporation with the objective of enhancing long-term value for the shareholders and the financial viability of the business. The process and structure define the division of power and accountability among shareholders, the board of directors and management and can have an impact on other stakeholders such as employees, customers, suppliers and communities. – Dey Committee Report, 1994.*

The Committee shall be composed of at least three directors, all of whom will be independent. The Committee will meet as required but no less than twice each year.

The Committee will review and recommend from time to time an optimum size and composition for the Board. The Committee will recommend new candidates, when required, with the objective of achieving an appropriate diversity and balance of directors having pertinent skills and experience. The Committee will nominate directors capable of adding shareholder value.

The Committee will develop and recommend to the Board an approach to corporate governance issues raised in the former TSX guidelines and other relevant literature.

The Committee will be a sounding board for the concerns of individual directors relating to corporate governance.

The Committee will ensure that there is a clear definition and separation of the responsibilities of the Board, its committees, the Chief Executive Officer and officers of the Company. This is to be maintained and all responsibilities clearly assigned.

The Committee recommends and if adopted by the board will be responsible for monitoring the following principles:

- 1) directors will oversee management of the business and not manage the business day-to-day or add bureaucratic burden which could impede the effectiveness of management;
- 2) the majority of the board will comprise independent, unrelated (non-executive) directors;
- 3) directors will put the interests of the Company first, ahead of any individual stakeholder;
- 4) directors will ensure there is a long term strategic plan and monitor progress against plan;
- 5) directors will define and review regularly all major areas of business risk;
- 6) the Board will agree with senior management on annual objectives and review performance against them;
- 7) directors will ensure that contingency plans exist for orderly management succession;
- 8) the Company will communicate openly, effectively and appropriately with shareholders;
- 9) directors will ensure that the Company has effective financial control and information systems;
- 10) the Board will review annually the Code of Ethics and ensure compliance with it.

11) there will be a process for assessing regularly the effectiveness of the Board, its committees and its individual members; and

12) the Company will review and report to shareholders each year on corporate governance.

An important objective of the Committee is to prevent corporate governance from becoming a burden to management and, to the extent possible, to minimize whatever burden cannot be avoided.
